FINDINGS, CONCLUSIONS AND RECOMMENDATION TO DENY PAUPER STATUS

Petitioner has filed a federal habeas corpus proceeding in this Court. Petitioner has not, however, submitted any payment to satisfy the requisite filing fee but, instead, has submitted an Application to Proceed *In Forma Pauperis* together with a certified *in forma pauperis* data sheet from the institution in which he is confined. Petitioner's March 26, 2021 data sheet reflects a balance of \$641.92 as of that date, with an average monthly deposit of \$66.67. (ECF 2 at 3).

Petitioner does not qualify for a grant of pauper's status. Petitioner possesses, has possessed, or has had access to, the funds needed to pay the \$5.00 filing fee in the instant cause and should have included such payment with the submission of his application or subsequent to such submission. Petitioner's application should be DISMISSED for failure to pay the requisite fee if Petitioner does not submit the fee in accordance with these Findings, Conclusions and Recommendation.

RECOMMENDATION

It is the RECOMMENDATION of the United States Magistrate Judge to the United States District Judge that Petitioner's application to proceed *in forma pauperis* be DENIED, and that the

habeas application filed by petitioner be DISMISSED for failure to pay the \$5.00 filing fee, if such fee is not submitted in accordance with the below Notice. If the fee is paid within the fourteen (14) days, these Findings, Conclusions, and Recommendation shall be withdrawn, and the Petitioner's application to proceed *in forma pauperis* (ECF 2) shall be automatically terminated as moot.

NOTICE TO PETITIONER OF EFFECT OF PAYING FILING FEE

If Petitioner pays the \$5.00 filing fee within fourteen (14) days after the “entered” date of these Findings, Conclusions and Recommendation, then the recommendation of dismissal will be withdrawn.

If, within fourteen (14) days after the “entered” date of these Findings, Conclusions and Recommendation, Petitioner submits to this Court evidence that he has authorized his institution to disburse the requisite funds from his trust account by properly completing and submitting to the prison a Form I-25 entitled “Inmate Request for Withdrawal,” then this case will be held in abeyance for thirty (30) days from the date of the Form I-25, pending receipt of the filing fee. If payment is received during the 30-day time period, the recommendation of dismissal will be withdrawn. If no payment has been received at the end of the 30-day time period, the case will remain subject to dismissal. It is Petitioner's responsibility to monitor the disbursement of the requisite funds from his trust account, and ensure that such funds have been withdrawn and transmitted to the Court. Petitioner shall advise the Court, prior to the expiration of the 30-day period, as to any legitimate reason why the funds will not be received by the Court within the time period.

Petitioner is advised that the payment of the filing fee will not guarantee that this Court will reach the merits of Petitioner's application.

INSTRUCTIONS FOR SERVICE

The United States District Clerk is directed to send a copy of these Findings, Conclusions and Recommendation to each party by the most efficient means available.

IT IS SO RECOMMENDED.

ENTERED April 29, 2021.

LEE ANN RENO
UNITED STATES MAGISTRATE JUDGE
